In appreciation for his enthusiasm and diligent work as both teacher and coach at Annville-Cleona High School, the Class of 1975 proudly dedicates their yearbook to Mr. Christian Sherk. Being senior class advisor, American Cultures teacher, assistant football coach, and wrestling coach, Mr. Sherk has devoted his time to developing students scholastically and physically and to giving them a sense of responsibility and sportsmanship. In the opinion of the Class of 1975, Mr. Sherk has displayed the leadership and guidance that make a successful teacher and a sincere friend. Thus, Mr. Sherk will be remembered for his time and effort in preparing us for the years ahead.

*"We have many memories
of these halls . . .*

*. . . which have been
our home of
learning.”*

*"We have made
close friends . . .*

*. . . to whom we will eventually
say goodbye.”*

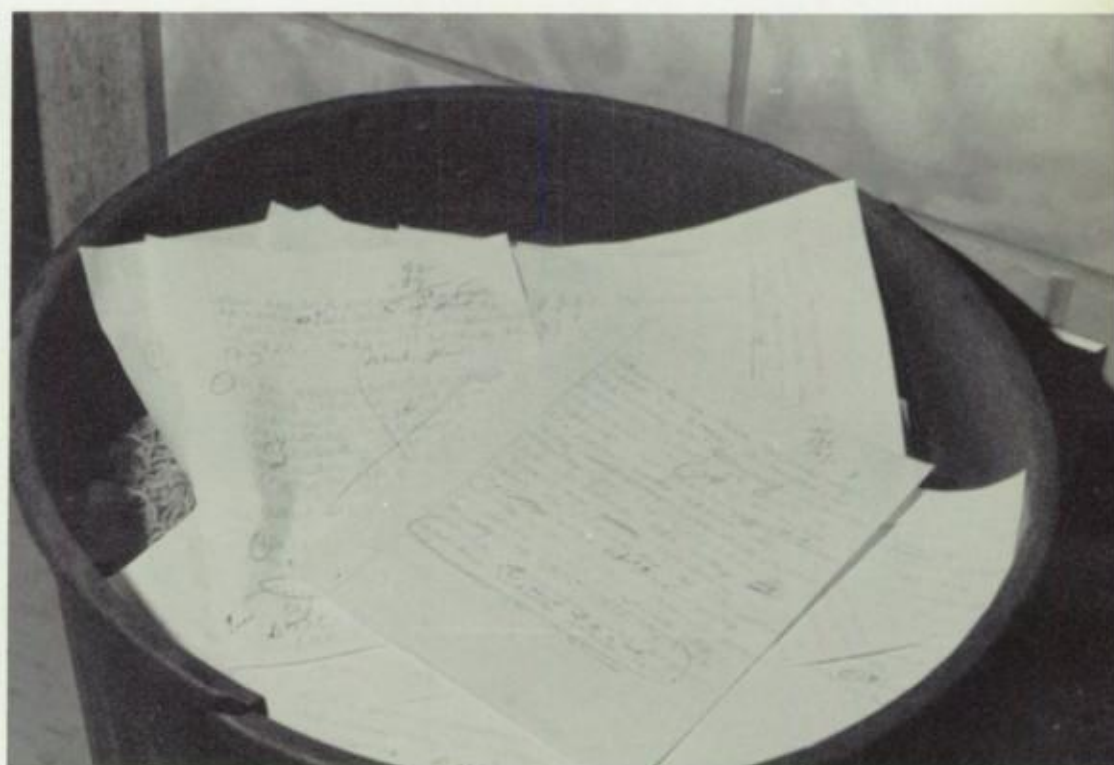

"We think of the good times . . .

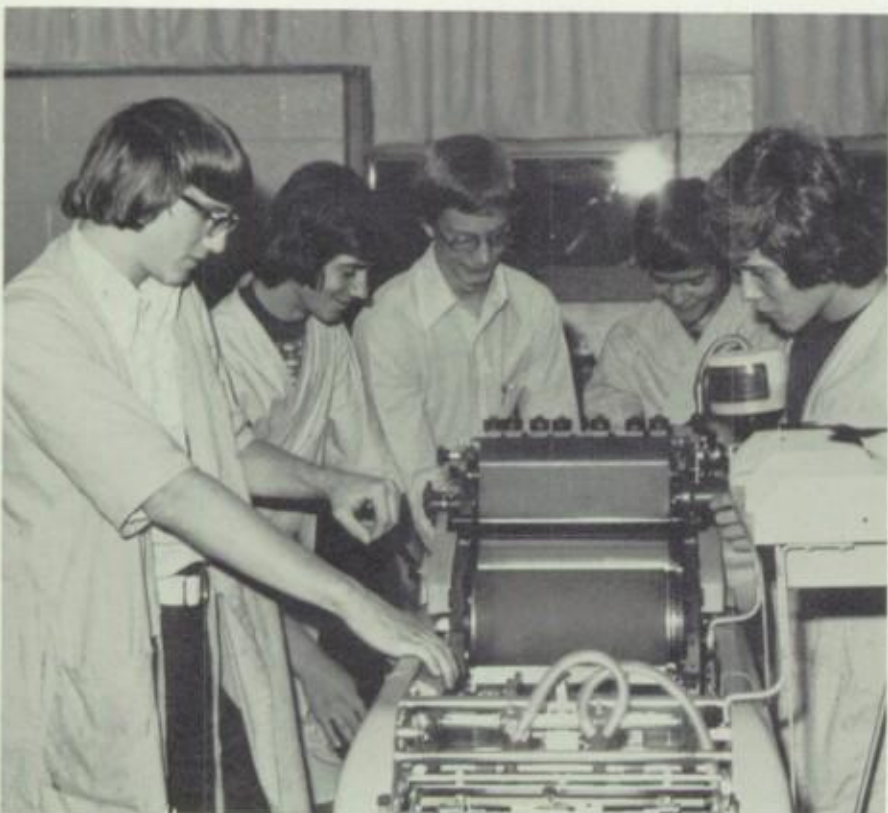

. . . and the bad.”

*"These experiences
will eventually
allow us . . .*

. . . to attain our goals.”

Clubs Improve Mind and Body

The Fellowship of Christian Athletes is an organization of Christian students who participate in school athletics.

The Jogging Club provides an opportunity for those persons interested in keeping physically fit to do so by jogging a specified number of miles during the year.

With the help of Mrs. Kline, the Health Careers Club heard many interesting speakers at their monthly meetings. This group also traveled to a number of hospitals to see what types of facilities are available to the public.

Preparation for Tomorrow

The FTA worked hard this year to have meetings. Accompanied by Mr. Walter, the advisor, they did attend a seminar at Elizabethtown College on teaching. They also helped the Education Association with a bike hike.

The Sr. FHA, under the guidance of Mrs. Lebo, held candy sales and bake sales to raise money. They also heard interesting speakers at their meetings.

With the help of Mrs. Keller, the Sr. High Tri-Hi-Y held a dance and a bake sale to increase their treasury.

Helpers of the Dewey-Decimal System

The Library Assistants help the library run smoothly. They help stamp out books and write overdue notices. They also help students find magazines for research.

The Library Club, a group of library assistants guided by Mrs. Moyer, took a trip to Berks County. These girls also gave a Valentines Day Party to the children in the Annville Elementary Special Education Class.

Club With 'Udder' Importance

This year's FFA, under the leadership of Mr. Morton, successfully held its annual citrus fruit and bologna sales. The group also worked with Penn State University in a variety of test plots using soy beans. Another highlight was that A-C Parliamentary Procedures Team represented Eastern Pennsylvania in state competition. Two firsts for the club were the snowmobile and the motorcycle show organized by its committee for recreational safety. Throughout these projects, FFA hoped to develop leadership and agricultural background.

Lights . . . Camera . . . Now What's Wrong

A teacher aid organization, advised by Mr. Pyles and Mr. Dale, the Projectionists instructed teachers in the operation of audio-visual equipment. They were responsible for making sure that the equipment would be delivered to the right room for use in the class. Of course, in the event of damage or breakdown, the projectionists were able to make minor repairs on the equipment.

For the Love of Letters

The Varsity Club, an organization of the sports letter winners, helped the school through several service projects. Its members sold ads for and produced football programs which they sold at home football games. Besides cleaning out the trophy cases and developing a coat check at some of the basketball games, the members also organized a donkey basketball game with the FFA. They also bought jackets for the senior members.

Energetic Supports of Athletics

The Second Annual Dutchmen Wrestling Tournament was sponsored by the dedicated Senior High Mat Maids. To enable Mr. Sherk and the wrestlers to concentrate on the matches, the girls prepared the mats and kept scores for all season matches.

The Pep Club attends athletic events to promote spirit in the crowd. To raise money for the fun nights for athletic teams, the club had a number of bake sales.

Pied Pipers of the Phys. Ed. Classes

The main activity of the Leader Corps is to help the physical education teachers with their classes. The members help to take roll and demonstrate various techniques. They also learn much about teaching physical education through their experiences. An extra activity that Leader Corp sponsored was a gym night for Senior High. Through this activity the Corps hopes to promote enjoyable physical activities.

Council Tries New Ideas

The Senior High Student Council, guided by Mr. Johnson, placed a juke box in the cafeteria for student use. This body also was instrumental in the commons study halls. They sponsored the Homecoming Dance and the student store. They were in charge of keeping the outside bulletin board current. This organization represents the student body and tries to iron out any complaints anyone has.

Meeting the Challenges of Tomorrow

The Vo-Tech School provides the opportunity for students to learn trades to prepare them for future jobs. Courses range from auto mechanics to distributive education to food preparation. Students attend Vo-Tech in the morning, and then, they return to A-C to study other required subjects such as English and gym.

The Fonz Is Back

The Fifties Day brought back many memories for the teachers and provided lots of fun for the students. Who ever thought that girls would wear white bobby socks to school? And who would have expected boys to grease their hair and wear sun glasses all day. Well that is what happened on Fifties Day. That evening the Grease Band from LVC provided music for the Fifties Dance.

Academic Achievement Honored

The Math Team competed in the Lebanon Valley College Math Tournament during the spring. Although they did not win, the members did learn many new mathematical processes.

Academic Achievement Awards were announced on May 28 at an evening assembly. Many juniors and seniors were honored for the work they had done.

'75's *Busy Business* *Leaders*

This year the Future Business Leaders' advisors were Miss Attivo and Mrs. Ruth. One highlight of the year was a trip to Philadelphia. While in Philadelphia, the club visited a coin mint, the zoo, did some shopping at King of Prussia, and to say the least - got lost a few times. Another highlight was the Regional in which Yvonne Troy and Sally Martin received certificates. This accomplishment was a first in FBLA history.

Arts Week Is Big Hit

With the help of state funds, the Second Annual Arts Week at Annville - Cleona was a great experience. During the week, special speakers came to classes to relate their experiences. An oceanographer had a display of treasures and equipment he has. The highlight of the week was the Senior High Band Concert and Art Demonstration. Everyone enjoyed the diversion this week provided from class work.

A-C's Merry Music Makers

The Marching Band, Concert Band, Wind Ensemble, Brass Choir, Pep Band, and Stage Band comprise the instrumental groups at A-C. The Marching Band performed at all home football games and provided spirit at the away games. The Wind Ensemble and Brass Choir provided Christmas music at the Christmas concert. The Pep Band promoted spirit at the home basketball games. The Vets' Hospital, Christmas Dance, and Tri-Class Play were the concerts that the Stage Band Played.

Sing for Joy

The Senior High Chorus again produced two excellent concerts after much hard diligent work directed by Mrs. Sollenberger. One highlight of the year was a two-hour rehearsal directed by Dr. Pierce Getz, Concert Choir director at LVC. Some members of the chorus worked extra hard for District Chorus try-outs. As a result of their work, eight people achieved their goal. Six of these people also sang in the Regional Chorus.

"My Fair Lady"

"My Fair Lady," under the direction of Mr. Donald Kline, was presented on March 13, 14, and 15. After months of long rehearsals, learning accents, and learning dance routines, the musical was presented in fine fashion. The story takes place in London in the early twentieth century. Henry Higgins, played by David Heisey, changes a flower girl's speech and passes her as a duchess.

Tammy, Tell Me True

The Class of 1975 presented the Tri-Class Play, "Tammy, Tell Me True," on November 21 and 22. Under the direction of Mr. Rodney DeHaven, the play starred Jeanne Gassert, Dave Heisey, and Bruce Weaver. Tammy, a river boat girl who wanted to attend State College where her boyfriend, Pete, was studying, met Tom Freeman, a professor at the college. He helped and guided her through the weeks that followed.

Keep Those Sets Movin'

Responsible for much of the school's success on stage, the Stage Crew created the sets for chorus, band, the musical, and the tri-class play and also took these sets apart afterwards. This year the members were greatly aided by the additional storage space built over the lighting cage. This expanded area enabled them to build the extra sets needed for the musical.

Starlit Night With Dreams to Remember

The 1975 Junior-Senior Prom was again a delightful dinner dance held at the Hershey Parkview Manor. Sponsored by the Junior Class, the event was highlighted by the music of the Maynard McKissick Band. Ham or turkey dinners were the choices each guest had for the meal. The setting, the music, and the atmosphere led to a very memorable evening.

Homecoming '74

The Homecoming Day activities, which were held on October 5, 1974, began with an afternoon football game against Penn Manor, highlighted by a halftime show which introduced the court. Even though the football team suffered a defeat, spirits were high in the evening as the crowning of Linda Sorrentino, the 1974 Homecoming Queen, took place.

Other members of the court were, in order, Denise Carpenter, Peggy Herr, Vicki Van Winkle, Cindy Kramer, Linda Gingrich, and Lucy Beard.

A-C's A-#1 Paper

The DUTCHMEN CRIER Staff worked long and hard to produce several issues this year. Liz Brensinger, editor-in-chief, saw that copy was handed in by the deadline, that layouts were completed on time, and that newspapers were sold. With the help of many people, the Senior Issue was completed in time for the Senior Breakfast.

Yearbook Staff Works Under Pressure

Despite the usual problems of missed deadlines and missing members, the yearbook staff worked hard to complete its pages. As the school days came to an end, the scramble to meet the final deadline increased. Under the leadership of Vicki Van Winkle and guided by Mr. Kline, the yearbook was published on time. The Yearbook Staff is pleased, if not relieved, to present you with a copy of the 1975 CORINOMA.

Varsity Team Has Outstanding Year

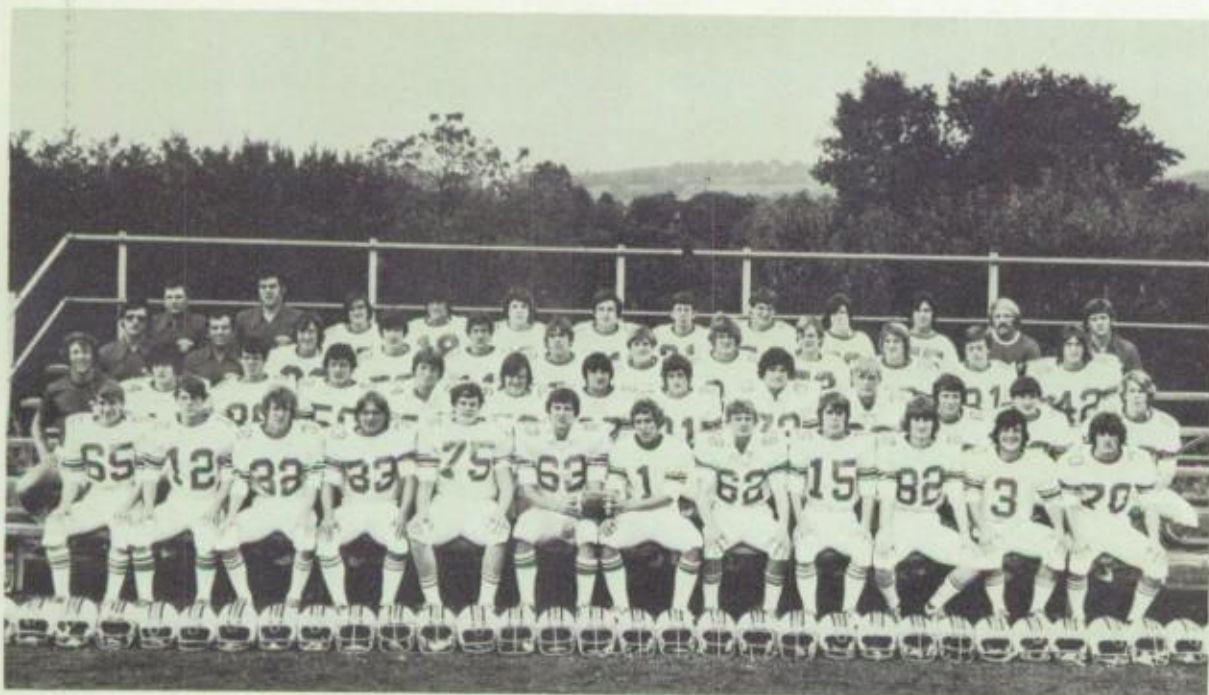

The 1974 Varsity Football, securing a record of six wins, one tie, and one loss, enjoyed the most successful season in its eight year history. This record put the team in second place along with Manheim Central. This team was the first to defeat Palmyra, the traditional rival of Annville-Cleona. The outstanding performances of several players highlighted the year. Quarterback Ed Hoffer set records of passes attempted, passes completed, and total passing yardage, Steve Bomberger was the leading team tackler, and Nick Faiola, recognized in SPORTS ILLUSTRATED, broke school records by gaining the most yards and scoring the most touchdowns. Hopefully, next year's team will be as successful as the 1974 team.

Better Luck Next Season

Although the JV football team had a disappointing outcome of one win and three losses, the 1974 football season served as a training process that will enable next year's team to be promising. Since the experience gained by actively participating in games is essential to the success of the team, the 1974 JV football team, which lacked actual game play, could not have been expected to produce a winning season. According to Coaches Sherk and Bugden John Reist, Andy Risser, Pat Brewer, Bill Daubert, and Bob Wilhelm displayed the skill and potential needed for a better season next fall.

X-Country Runners Win Third State Title

For the third consecutive year Annville-Cleona's Cross Country Team won the State Championship as a Class "B" school. Bob Stachow was the first individual state champion in A-C's and Lebanon County's histories. Other runners in the state meet were Tim Longenecker, and Rick Long, who finished 31st, 32nd, and 37th respectively. As the finishing touch to a perfect season, the team performed best at the District III Meet where they scored a record low of 28 points. Bob Stachow and Tim Longenecker added valuable leadership to the team. Next year's team will be filled with enthusiastic underclassmen guided by the only returning letterman, Rick Long.

JV Hockey Team Shows Improvement

Although the 1974 Junior Varsity Hockey compiled an overall record of only one win, eight losses, and two ties, the girls did gain valuable experience for next year. Their only win was against Elco, where A-C scored three goals. Lori Unger, who scored four goals, Sandy Adey, who scored one goal, and Joan Brandt, who scored one goal were the outstanding members of the team. All the girls showed dedication and improvement throughout the season.

New Coach Sparks Enthusiasm

The Varsity Field Hockey Team entered the 1974 season under the coaching of Miss Mary Matala, a newcomer to the high school faculty. The season record of seven ties and three losses was a major improvement over last year's record. Perhaps the team's most crucial encounter was with Lebanon High School. The game, ending in a tie, squashed Lebanon's contention for second place in the league standings. The enthusiasm of each player helped to solidify teamwork which is essential in the playing of hockey.

Ten Year Losing Streak Is Broken

For the first time in ten years the Annville-Cleona Varsity Basketball Team had a successful season. Not only did they have a winning season, but they also placed well in the league standings. This season was also a difficult one because the team had to adjust to a different coach midway in the season due to Mr. Barnhart's accident. The come-from-behind victory over Garden Spot highlighted the season. Nick Faiola and Joe Getz were the two outstanding seniors who helped to guide the team to victory, but the whole team should be congratulated for an excellent job.

Defense Aids JV Dribblers

Under the direction of head coach Mr. Goudy this year's J.V. Basketball Team's two objectives were defense and foul line scoring. As the defense improved throughout the year, the opponent's average score dropped. Foul line scoring increased team scoring per game. The team had eight wins and six losses in league competition and had eleven wins and eight losses overall. John Faiola led the team with an average of twenty points per game. Mr. Goudy feels the team was very coachable and is looking to see good basketball players emerge from the team.

New Coach Spurs Success on Court

The Varsity Girls' Basketball Team, coached by Mr. Hosler, had a very successful season with a league record of ten wins and four losses. This season was the first winning season in six years and the first appearance of the girls' basketball team in play-off games. Laurie Stranick was the outstanding player, leading the team in six of the fourteen statistical areas. The returning lettermen make next year's team look promising in terms of attitude, desire and competitiveness.

JV Girls Break Even With League Record of 8-8

Although their league record was only eight wins and eight losses, the 1974-1975 Junior Varsity Girl's Basketball Team, according to Mrs. Gettle, Coach, had a good season. The first half of the season was much better in terms of wins and losses, winning six out of eight games. All the players were valuable to the team's efforts, because there were only, seven or eight players on the team. Since Elizabethtown is known to have a very good team, Mrs. Gettle was proud of the girls when they won 24-18.

A-C Grapplers Prove Their Strength

For the third consecutive season, the Annville-Cleona Varsity Wrestling Team has improved its record, finishing the season with an overall record of ten wins and four losses and a league record of seven wins and four losses. One of the highlights of the season was a tie for first place in the Second Annual Dutchmen Holiday Tournament. Mickey Funk, Brian Gibson, Dan Graaf, and Jeff Morrow were the individual winners. JV Grapplers Provide Excellent Outlook for Varsity

The 1974-1975 Junior Varsity Wrestling Team, coached by Mr. Ulrich accumulated a record of twelve wins and two losses. Not only did these wrestlers participate in the J.V. matches, but they also filled in when needed on the Varsity roster. Andy Risser was undefeated in Varsity activity. Alex Tate and Jim Hiles were other outstanding wrestlers. The experience gained by the underclassmen on the J.V. Team will help to improve next year's Varsity Team.

Varsity Baseball Team Misses First Place

The 1975 Varsity Baseball Team, under the coaching of Mr. Worcester, finished in second place for the second year with a league record of ten wins and four losses. Dave Bentz, catcher, Nich Faiola, center fielder, and John Imboden, pitcher, were named to the All-Star Team of Section I. D. Bentz was also named to the All-League Team. "B" Batters Gain Experience

The 1975 "B" Baseball Team, coached by Mr. Sprecher, accumulated a record of four wins and eight losses. Despite this disappointing showing, the team had fine wins over Lebanon and Manheim Central. Mark Lerchen was the outstanding batter, ending the season eleven for thirteen. Good pitching for the team was consistently given by Bob Wilhelm. Because many freshmen started in almost all the games, Mr. Sprecher is looking for a more successful season next year.

Girl Runners Have Disappointing Season

Although the Girl's Track did not have a winning season, Coach Rekis feels that there was much individual improvement. The seniors, V. Van Winkle, L. Stranick, D. Early, S. Nye, and P. Fogleman, helped to lead the team and kept the team's morale up. The highlight of the season was the team's single victory over Norlebc. Since the league will be divided next year, the girls will be competing with schools more on their level; therefore, the team should show great improvement.

Racket Girls Develop Techniques

Although the Girl's Tennis Team, led by head coach Mr. Kreiffels, did not have an outstanding year, individual merit should be given to sophomore Sandy Adey for her fine performance on the tennis court. Sandy made the quarterfinals of the District and County tournaments. As three of the five letter winners will be returning, Mr. Kreiffels feels the team should be strong next season. Varsity Cheerleaders Support Athletic Teams

The Varsity Cheerleaders, coached by Mrs. Crandell, supported the football, basketball, and wrestling teams throughout their seasons. Under the leadership of co-captains Linda Gingrich and Roberta Ganter, they cheered the athletes on through victory and defeat, through hard times and easy times. Even though the girls did not win in the Lancaster-Lebanon county League competition, they did gain valuable experience. Although six seniors will be leaving the squad, a good junior varsity squad will help rebuild next years varsity squad.

Cheerleaders

The Junior Varsity Cheerleaders, coached by Mrs. Crandell and guided by captain Deb Walborn, helped the Varsity Cheerleaders at the football and basketball games and at the wrestling matches. Because the basketball games and wrestling matches were often held on the same night, the Junior Varsity Cheerleaders had to cheer at both JV and Varsity events. The girls, however, never lost their enthusiasm and pep. Through this experience they will be able to accept the responsibilities of Varsity Cheerleading.

Follow the Leaders for a Better Jr. High

The Jr. High Student Council, advised by Mr. Sherk, represents the students in meetings with the faculty. Its members sponsored the King and Queen of Hearts Dance and Jr. High fun nights. They also drew up some cafeteria menus in which they asked students for their favorite foods. The members bought an Annnville-Cleona mat which will be displayed in the lobby.

From the Soil to the Table

The Jr. High FHA helped the Sr. High FHA with their candy sale. They also learned much about running an efficient home from their advisor, Mrs. Schaffer.

The Jr. High FFA held the Green Hand initiation ceremony. They also helped the Sr. High FFA with their fruit and bologna sales. Mr. Morton, their advisor, also helped the boys learn about agricultural techniques and problems.

Jr. High Intellect Shines Through

The purpose of the Jr. High Chess Club is to provide the members with the opportunity to develop their skills and knowledge of the game and to give the members the chance to play someone with the same amount of skill.

The Jr. High Honor Society, under the leadership and guidance of Mr. Lemon, will travel to Boston for three days at the end of school. Another activity of the society is the induction ceremony, highlighted this year by a skit.

Girls Serve School and Community

The Junior High Library Assistants help Mrs. Grosh and Mrs. Moyer with the work in the library. They stamp out books and check them in. They also assist the students in finding resource materials.

The Junior Tri-Hi-Y gave money to needy families as their service project. Other activities included holding a dance and a fun night, and sponsoring a swimming party.

Jr. High Band Develops Talents

The Jr. High Band worked many hard hours, including several night rehearsals, to produce an excellent concert on May 22, 1975. Under the direction of Mr. Lemon, the percussion section was featured in "Percussion Espagnole," Steve Yeagley performed a tuba solo, and the band played selections including "Overture for Wind" and "Carnival." The band also marched in the Memorial Day Parade to complete the year's activities.

The Junior High Chorus developed their vocal talents under the direction of Mrs. Sollenberger. During the fall months they worked on music for their Christmas concert. After the new year they practiced diligently for their spring concert, which culminated a year of fun and hard work. As a reward for their hard work the members of the chorus were feted at a party.

The Voices of Tomorrow's Sr. High

With practically no previous experience, the Seventh Grade Chorus worked extremely hard to put together a good Christmas Concert. Mrs. Sollenberger, the director, worked hard with them and guided them. She introduced the singers to the basics of vocal training. During the winter months, this group learned some more interesting music to perform at the Spring Concert on May 22.

King and Queen of Hearts Dance

The annual King and Queen of Hearts dance was held on Saturday, February 15 from 7:30 to 10:30. The highlight of the dance, sponsored by the Junior High Student Council, was the crowning of Tom Boger as king and Vicki Schirato as queen by last year's king and queen, Bob Wilhelm and Kathy Wallace. Records provided the music for the dancers' pleasure. Thanks to the work of many people, the evening was a great success.

The Wrestlers' Best Friends

The Jr. High Mat Maids did all the preparations for the Jr. High Wrestling Team's Matches. They helped to raise money for the Christmas Tournament trophies by selling license plates, shirts, and candles. They also helped the Sr. High Mat Maids at the tournament. Many of their jobs consisted of keeping scores, selling candy, washing mats, and helping to reroll the mats after the matches.

Jr. High Cheerleaders Show Spirit

The Junior High Cheerleaders, under the coaching of Mrs. Ruth, helped arouse the spirit at Junior High athletic events, Girl's basketball games, and at Varsity football games. They also helped the Varsity Cheerleaders collect money for Mr. Touchdown and sell spirit buttons. Under the leadership of captain Vicki Schirato, the girls worked hard to enter cheering competition, but because of snow, they could not attend. This year gave experience for the ninth grade girls who will be cheering on the J.V. squad next year.

Team Has Potential

The junior high football team's record of one win and five losses was not an indication of its potential. Though the entire team showed improvement throughout the season, several players, including Randy Reich and Bob Scheer, played well all year. Many players who made some outstanding plays will be a valuable source for future varsity teams.

Junior High Dribblers Place Third

Under the direction of head coach Mr. Teter, this year's Jr. High Basketball team placed third in the league with a record of six wins and four losses. Leading the team in rebounds was M. Sorrentino. He was also leading scorer followed close behind by R. Wengert. One outstanding game of the season was the game with Lebanon in which A-C won 40-29. The team was not defeated on the A-C court. Mr. Teter feels next year's team will have many eighth graders and will be one of the largest teams in the past few years.

7th and 8th Grade Dribblers Begin Careers

The seventh and eighth grade basketball team had a rather unsuccessful season in terms of wins and losses, finishing with a record of two wins and twelve losses. In terms of experience and skill development, however, the players gained from a valuable year. The leading scorer and defensive player was S. Landis who scored eighty points. The team played hard in every game and was rarely out of any game, most of which were played against ninth graders.

Sometimes We Win, Sometimes We Lose

This year forty junior high athletes made up the team of Jr. High Wrestling. Their wrestling techniques came under the direction of head coach Mr. Eschenman. Although only seventeen participated on the varsity level and earned a letter, thirteen others wrestled on the first team. The remaining wrestlers did have a chance to compete against another wrestler from another school. Although the team's league record was three wins and seven losses, Mr. Eschenman feels the record is due to the make-up of the league rather than the wrestler's lack of ability.

Jr. High Track Works Hard

Mr. Kestner, head coach of the Jr. High Track Team, led sixty-one hard-working athletes to set five Jr. High records and tie two other records. With 37 returning team members Mr. Kestner has a good outlook for next year's team. Weight and jumping events should be much stronger, but some quarter milers will have to be replaced. Since 61 athletes were coached by one coach, Mr. Kestner commends the athletes for their willingness to follow directions and to work hard.
